Dear Neighbor:

The Public Hearing for the Cold Spring Harbor Lab's Revised Master Plan and Special Use Permit applications in connection with the proposed construction project will be held via Zoom on Monday January 31, 2022 at 6:30pm. The Zoom invite will be available on the Village website ([www.laurelhollow.org](http://www.laurelhollow.org)) prior to the meeting. Documents submitted in connection with the project are now available on the Village website. Click on "BOT Hearing 1/31/2022 - CSHL Special Use Permit." In the meantime, at last night's Board of Trustees regular meeting during which the hearing date was set, the Lab representatives invited residents who may be interested in the project to visit the site of the proposed construction. If you are interested, to arrange for a visit contact Cold Spring Harbor Lab Vice President and Facilities Director Steve Monez at [monez@cshl.edu](mailto:monez@cshl.edu) or at (516) 367-8488.
