Subject: Reminder Public Hearing Monday on Lab Construction

Dear Neighbor:

As a reminder, the Public Hearing for the Cold Spring Harbor Lab's Revised Master Plan and Special Use Permit applications in connection with the proposed construction project will be held via Zoom on Monday January 31, 2022 at 6:30pm. The Zoom invite will be available on the Village website (www.laurelhollow.org) prior to the meeting. Documents submitted in connection with the project are available on the Village website. Click on "BOT Hearing 1/31/2022 - CSHL Special Use Permit." There have been three additional documents from Village consultants added from West Side Engineering, our Building Inspector, and our Tree Consultant. Also as a reminder, as has been stated Lab representatives have invited residents who may be interested in the project to visit the site of the proposed construction. A number of people have taken advantage of that invite and it is not too late for you to do so. If you are interested, to arrange for a visit contact Cold Spring Harbor Lab Vice President and Facilities Director Steve Monez at monez@cshl.edu or at (516) 367-8488. Thank you.

Mayor Dan DeVita and your Board of Trustees (Deputy Mayor Jeffrey Nemshin, Trustee Richard Nicklas, Trustee and Harbormaster Jeffrey Miritello, Trustee Nicholas Tsafos, Trustee Martin Novick, Trustee Kevin Jusko)
