Dear Neighbor:

As a final reminder, the Public Hearing for the Cold Spring Harbor Lab's Revised Master Plan and Special Use Permit applications in connection with the proposed construction project will be held via Zoom tonight, Monday January 31, 2022 at 6:30pm. The Zoom invite will be available on the Village website (www.laurelhollow.org) prior to the meeting. Documents submitted in connection with the project are available on the Village website. Click on "BOT Hearing 1/31/2022 - CSHL Special Use Permit." Also as a reminder, as has been stated, Lab representatives have invited residents who may be interested in the project to visit the site of the proposed construction. If you have not taken advantage of that and still have questions or comments, you can contact Cold Spring Harbor Lab Vice President and Facilities Director Steve Monez at monez@cshl.edu or at (516) 367-8488. Thank you.
