Subject: VESSELS ON BOAT RACK - LAST CHANCE TO AVOID BIG FEES

Dear Boater:

There are still more than one dozen vessels on the Village boat racks. New, higher fees will be charged in connection with the removal and storage of these dinghies and kayaks by the Village. Any vessel remaining on the boat rack at the close of business on Monday 12/19/2022, will be removed by the Highway staff and a removal fee of \$200 will be charged to the owner. An initial storage fee of \$200 will also be imposed and an additional \$200 storage fee will be charged for each month that the dinghy or other vessel remains unclaimed until April 15th, when the vessel will be deemed abandoned and the Village will dispose of same.

In addition, if you fail to claim your vessel and pay the associated fees, you will not be eligible to obtain any new permits, including but not limited to parking and dinghy permits.
