Subject: Boat Check

Dear Boater:

We're expecting heavy rains and high wind gusts this weekend. Please check:

1. That your kayak or dinghy is securely fastened and locked to the boat rack;
2. If you have a boat in the mooring field, please make sure your boat has not drifted from its original position after the storm.

Please remember that all boats and dinghies/kayaks must be removed by December 1st.

Thank you for your cooperation.

Mayor Dan DeVita and Trustee/Harbormaster Jeffrey Miritello
