**Subject:** Power Outage Information for Storm Tonight

Dear Neighbor:

We are expecting heavy rain and strong wind gusts tonight and tomoorw. This is a recipe for possible downed trees and tree limbs, which could lead to power outages. Remember, never approach a downed wire. Always call 911 if you see one. Please keep the below power outage information handy in the event your power goes out.

Be well and stay safe.

### **PSEG**

Download the PSEG Long Island mobile app to report outages and receive information on restoration times, crew locations and more.

Report an **outage** and receive status updates by texting OUT to PSEGLI (773454). You must first register by texting REG to PSEGLI (773454). You can also report your outage through PSEG's app, website at [www.psegliny.com/outages](http://www.psegliny.com/outages).

To report an outage or downed wire call PSEG Long Island's 24-hour Electric Service number: 800-490-0075.

Follow PSEG Long Island on Facebook and Twitter to report an outage and for updates before, during and after the storm. View PSEG Long Island's outage information across Long Island at <https://mypowermap.psegli.ny.com>

### **OPTIMUM**

1. Message Optimum at [optimum.net/chat](https://optimum.net/chat)
2. Send Tweet to @Optimumhelp
3. Call Altice at (866) 950-3278

### **VERIZON**

Verizon's contact information in the event you lose their service:

<https://www.verizon.com/about/news/emergency-resource-center>

<https://www.verizon.com/support/residential/service-outage>

Report outages by calling 800-VERIZON (landline services) and 800-922-0204 (wireless services).

Mayor Dan DeVita and your Board of Trustees (Deputy Mayor Kevin Jusko, Trustee Richard Nicklas, Trustee and Harbormaster Jeffrey Miritello, Trustee Jeffrey Nemshin, Trustee Nicholas Tsafos, Trustee Nancy Jones)
